July 24, 2009 to December 29, 2012

OSHA began releasing weekly fatality reports in July of 2009. These are fatalities involving confined spaces taken from those reports. The majority involve work inside a confined space. There are some that involve work on or near a space and there are a few that may not actually involve confined spaces. Trenching and most mine fatalities are not included.

12/27/2012 Pope Douglas Solid Waste, Alexandria, MN 56308  
Worker was crushed by a compactor after pressure developed during repairs.

12/22/2012 Intat Precision Inc., Rushville, IN 46173  
Worker died after being caught in augers while inside the national mold recirculating cooler.

11/29/2012 Phoenix Industrial Cleaning, Whelling, IL 60090  
Employee died after falling from a ladder while attempting to exit a chemical storage tank.

7/12/2012 Adonis Bronze, Alpine, UT 84004  
Worker was struck and killed by the door on a pressure vessel.

10/22/2012 American Rice Growers, Raywood, TX 77582  
Worker died after falling 60 feet through a grain elevator opening.

10/03/2012 Brahma Group Inc., Bakersfield, CA 93308  
Worker cleaning the inside of a water tank killed when floor beneath him collapsed.

9/21/2012 Silver Bullet Production, Acton, CA 93510  
Worker drowned while cleaning a large water tank.

9/13/2012 Fisher Industries, Interstate 80 East Bound, Mile Post 392, NV 89521  
Worker making repairs to a tire compactor was crushed between the compactor and a drum roller.

9/10/2012 Willman Industries Inc., Cedar Grove, WI 53013  
Employee was crushed after being caught in a molding machine.

9/7/2012 J.R. Resources LP, Ringgold, PA 15570

Worker pumping fluid out of a plastic tank died when the tank exploded.

8/22/2012 David Girard Vineyard, Placerville, CA 95667

Worker at a vineyard was crushed in a wine press.

8/21/2012 Yumoto Company Ltd, Dechard, TN 37324

Worker at an automobile assembly plant was crushed in machine.

8/16/2012 Bacardi Bottling Corp., Jacksonville, FL 32218

Worker cleaning up broken glass at a bottling plant died after being crushed by a machine that molds materials into pellet shapes.

8/1/2012 Golden State Elevators Inc., Paramount, CA 90723

Worker performing repairs to an elevator fell 26 feet.

7/25/2012 Next Specialty Resins, Addison, MI 49220

Worker at a plastics recycling plant died after falling into an industrial grinding machine.

7/24/2012 Bankston Creek Land Trust, Norris City, IL 62869

Four workers welding a swab tank were burned when an explosion occurred.

7/17/2012 Inland Systems Incorporated, Tomahawk, WI 54487

Worker cleaning an ash silo died from burns received by flying ash.

7/1/2012 Thornton Drilling Company, Andrews, TX 79714

Worker power washing a water tank was electrocuted when the power cords arced.

6/17/2012 Food Business Inc., dba Germantown Café East, Nashville, TN 37206

Restaurant worker died from suffocation after becoming trapped in a walk-in cooler.

6/13/2012 Scruggs Equipment Company, Memphis, TN 38113

Worker was killed when a garbage truck he was working on activated, pinning his head.

6/09/2012 Recycling Services of Indiantown LLC, Indiantown, FL 34956

Worker using a torch to cut a propane tank died from burns suffered when the propane ignited, causing a fire.

6/19/2012 Sky Brand Services, Arvin, CA 93203

Worker dismantling pipes on an oil tanker was killed when the tank exploded.

6/05/2012 Renewed Earth, Otsego, MI 49078

Worker operating a screening machine was killed when he was pulled into the machine.

6/02/2012 L-Con Inc., Houston, TX 77015

Worker welding a pipeline that once contained crude oil died when an explosion occurred.

5/08/2012 Sinclair Wyoming Refining Company, Sinclair, WY 82334

Four workers sustained burns while draining a chemical tank after butane came into contact with an ignition source and ignited. Three of the four workers were hospitalized.

5/18/2012 Manatts Inc., Ames, IA 50010

Worker at an asphalt manufacturing facility was killed when his head was caught in a tank door.

5/16/2012 Circle C, Odessa, TX 79763

Worker extracting water from a well was found dead inside well.

5/14/2012 Preston Memorial Hospital, Kingwood, WV 26537

Worker was killed after being struck by an elevator inside a hospital elevator shaft.

5/09/2012 Arca Trucking Services LLC, Midland, TX 79706

Worker inside the cab of a truck fuel tank being welded to patch a leak was killed when the tank ignited and exploded.

5/12/2012 Cuyahoga Concrete Company, Cleveland, OH 44115

Worker using a pneumatic chisel to clean out the inside of a concrete truck was found dead.

4/30/2012 ConocoPhillips, Borger, TX 79008

Worker installing hydraulics at a silo chute died from a 20-foot fall when the chute moved to a vertical position.

04/18/2012 Hansen Design Specialty Flooring Inc., Draper, UT 84020

Worker was struck and killed by a vehicle while performing maintenance in a storm drain.

[www.hzburgess.com](http://www.hzburgess.com)

04/11/2012 Roggen Farmers Elevator Association, Roggen, CO 80652  
Worker loading a large empty silo plastic bag into a mechanical device died when his body became caught in the bagging mechanism.

04/12/2012 TN Aluminum Processors Inc., Mt. Pleasant, TN 38474  
Worker loading aluminum into a shredder was killed after being pulled into the machine.

04/11/2012 Purdy Concrete Inc., Lafayette, IN 47909  
Worker inside a swimming pool pit preparing to fill it with concrete was killed when the cement truck tipped over, and fell on him.

03/30/2012 Frit Industries Inc., Walnut Ridge, AR 72476  
Worker inspecting the removal of compacted soil from inside a fertilizer mixer died when he became engulfed in raw material after the mixer was turned on.

03/24/2012 Fire Brick Engineers Company Inc., Marlon, AL 36756-0670  
Worker replacing the lining of a furnace was crushed between the cleaning equipment and wall. Equipment had not been locked out.

03/21/2012 A & D Air Conditioning & Refrigeration Inc., Boca Raton, FL 33432  
Worker installing piping and sheet metal to the HVAC system of a restaurant died after falling 40 feet through the building's shaft.

03/20/2012 OGE Red Bud Power Plant, Luther, OK 73054  
Worker tightening bolts on a steam drum died from blunt force trauma and burns when increased pressure caused drum to explode.

03/20/2012 Genpak LLC, Columbus, OH 43228  
Worker at a packing and crating facility who was cleaning a machine used to make rolls of plastic was killed after being pulled into the machine.

03/15/2012 Kelley Bean Company Inc., Brush, CO 80723  
Worker was engulfed after standing on a pile of beans at a bean plant.

02/24/2012 Worldwide Technologies GPA, Franklin, KY 42134  
Worker in a tool manufacturing facility broke his neck when he was pulled into a machine used to rotate and shape metals.

03/02/2012 Koswire Inc., Flowery Branch, GA 30542

Worker operating a metal wiring machine was killed when he reached into the machine and was pulled in.

02/23/2012 Roberson Construction & Land Development, Inc., Gatlinburg, TN 37738

Worker was asphyxiated when an unshored wall collapsed while he was cutting rebar inside of a basin.

02/23/2012 Best Foam, Sherman, MS 38869

Worker operating a compactor machine used to pack together cut farm crops died after being caught inside the machine.

02/10/2012 Kesmarc LLC, Ocala, FL 32268

Worker treating a horse inside a hyperbaric oxygen therapy chamber was killed when an explosion occurred inside the chamber.

02/01/2012 Wauneta Mills LLC, Wauneta, NE 69045

Worker using an auger to fill truck with feed pellets was found dead inside the truck bin.

01/30/2012 V T Halter Marine Inc., Pascagoula, MS 39581

Worker preparing to refill a sand blast pot was killed when the pressurized vessel exploded after he lifted the lid.

01/25/2012 Viking Iron Metal, Houston, TX 77045

Worker dies from burns when a tank that once contained gasoline explodes.

01/19/2012 Live Oaks Planting Company LLC, Itta Bena, MS 38941

Employee was working in a 60,000 bushel grain silo when the worker sank and was engulfed in 20,000 bushels of soybean.

12/24/2011 R&M Oil Supply, Inc., Smithton, IL 62285

Worker was found laying on the ground with his arm in a manhole.

12/20/2011 Myceix Technologies Corporation, Gainesville, GA 30501

Worker handling materials inside of a humidity chamber died from injuries after an explosion occurred.

[www.hzburgess.com](http://www.hzburgess.com)

12/16/2011 Tribe Mediterranean Foods, Inc., Taunton, MA 02780

Worker cleaning the pump feeder skid machine was pulled into it and crushed between the machine's two augers.

12/14/2011 Young & Rubicam, New York, NY 10017

Worker was crushed between the passenger elevator car and the shaft wall.

12/6/2011 Four Leaf Construction, Palo Alto, CA 94301

Worker fell in an elevator shaft.

12/13/2011 Enerfab, Inc., Arcadia, FL 34266

Worker performing welding tasks inside a steel tank was killed when he fell 55 feet from scaffolding.

12/12/2011 Quality Scapes, Inc., Streamwood, IL 60107

Worker was crushed by an auger inside a salt truck.

11/20/2011 ESE Alcohol Inc., Leoti, KS 67861

Worker walking on a catwalk that connects to a fermentation tank died when he fell inside the tank.

11/18/2011 Andrew T. Jacos Belleville, IL 62220

Worker operating a wood chipper was killed after being pulled into the machine.

11/16/2011 Leelaunau Fruit Co., Suttons Bay, MI 49682

Worker was asphyxiated in a brine pit while transferring cherries from a brine pit to truck

11/15/2011 Vista Paints Fullerton, CA 92831

One worker was killed and another hospitalized after being overcome by fumes while using a paint stripping chemical in a confined space.

11/12/2011 J R Excavating, Fairborn, OH 45324

Worker replacing a sewer line inside a trench was killed after natural gas contacted an ignition source, causing an explosion and fire.

11/9/2011 Black Crow Candle Co. Canton, IL 61520

Worker died after falling 9 feet in an elevator shaft to the basement.

11/3/2011 S.J. Louis Construction of Texas Ltd., LLP. Fairview, TX 75069  
Two workers performing maintenance work on a sewer line died from exposure to a hazardous atmosphere after entering a manhole.

11/2/2011 United Elevator Services, LLC Memphis, TN 38103  
Mechanic was crushed between elevator and hoistway while riding on top of elevator's cab.

11/01/2011 Avalon Commons Smithtown, NY 11787  
Worker pumping sludge out of a sewage treatment tank died after falling into tank.

10/29/2011 Kansas Grain Inspection Services, Inc. Atchison, KS 66002  
Two workers were killed while performing grain inspection services at a grain elevator when an explosion occurred.

10/29/2011 Bartlett Grain Company, LP Atchison, KS 66002  
Four workers were killed in a grain elevator explosion and fire.

10/19/2011 Midco Diving & Marine Services, Inc. Parshall, ND, 58770  
Water treatment plant worker diving into a 138-foot-deep chamber to perform maintenance died after his umbilical line failed.

10/16/2011 Esther's 103, Inc. Miami, FL, 33150  
Worker trying to replace pumps inside a manhole collapsed and later died from exposure to toxic air.

10/17/2011 Moores Contracting Services LLC Buckhannon, WV, 26201  
Worker died after falling 35 feet through the doorway of a silo-type structure.

10/12/2011 Community Recycling and Resource Recovery Lamont, CA, 93241  
Worker died after being overcome by toxic fumes while cleaning the inside of a drain pipe.

10/10/2011 Unnerstall Contracting Co. St. Louis, MO, 63146  
Worker was found unconscious in a manhole.

10/07/2011 Airtite Insulation, Goshen, IN, 46528  
Worker suffocated after falling into a pit of insulation.

10/04/2011 Novelis Corporation Oswego, NY, 13126-0028

Worker was connecting hoses inside a machine and was crushed between the machine's support block and bulkhead.

9/21/2011 Stevens Electric & Pump Service, Inc. Kennebunkport, ME 04046

Two workers died from overexposure to hydrogen sulfide while inside a sewer tank.

9/26/2011 Murphy-Brown, LLC Laurinburg, NC 28352

Worker trying to access an auger motor died after becoming entangled in the machine.

9/20/2011 Al and John, Inc., T/A Glen Rock Hams, Paterson, NJ 07503

Worker cleaning a meat mixer died when he fell into the machine.

9/21/2011 Otis Elevator Company Brookwood, AL 35444

Worker performing operations on top of an elevator car was struck and killed by another elevator car.

9/6/2011 MaxYield Cooperative Dickens, IA 51333

Worker suffocated after being engulfed in corn inside a grain bin.

9/3/2011 Shultz Steel Company Inc. South Gate, CA 90280

Worker died from head injuries after falling 19 feet into a service pit.

8/31/2011 Liberty Denim, LLC, Liberty, SC 29657

Worker died when caught between rollers while working in a textile machine.

8/23/2011 Lumiere Place Casino & Hotel St. Louis, MO 63102

Worker died after falling into an elevator shaft while trying to retrieve keys.

8/22/2011 NextEra Energy Resources, Ocheyedan, IA 51354

Worker died after falling more than six feet through an unprotected hatch door in a wind tower.

8/20/2011 Delaware River Stevedores, Inc., Philadelphia, PA 19137

Worker unloading cargo died when he fell 45 feet inside a ship's hull

8/19/2011 American Apparel Knit and Dye Garden Grove, CA 92841

Worker cutting fabric was crushed in an energized machine.

8/18/2011 Inergy Propane, LLC dba Jenkins Gas New Bern, NC 28560  
Worker died from gas fumes while servicing an underground liquid propane tank.

8/17/2011 Coastal Cargo Company, Inc., New Orleans, LA 70112  
Worker loading grain on a cargo vessel was killed when the closing hatch cover struck him, causing him to fall 40 feet.

8/14/2011 Wickliffe Paper Company LLC, Wickliffe, KY 42087  
Worker died from severe burns from paper by-products while removing a manway

8/10/2011 Ambriz Construction Maumelle, AR 72113  
Five construction workers were hospitalized when the scrap box they were inside fell 20 feet to the ground.

8/3/2011 Nix Contr LLC Linden, MI 48451  
Worker died after falling into a manhole.

8/2/2011 CSM Bakery Products North America, Dallas, TX 75238  
Worker unjamming part of a bakery oven was killed after he was caught between the robotic arm and the oven's conveyor belt

8/4/2011 Patrick Lovett Farm Tabor City, NC 28463  
Worker unclogging tobacco materials from a harvester conveyor died when his clothing was caught and he was pulled into the machine.

8/3/2011 Zimmerman Sales and Services LLC Goshen, IN  
Worker welding inside a silo died from possible electrocution.

8/1/2011 Roberts Sand Company LLLP, Quincy, FL 32351  
Worker using an excavator inside a clay pit was killed when the 25-foot wall of clay soil fell, crushing him.

7/28/2011 Duppong's Inc. Glen Ullin, ND 58631  
Worker was crushed while working inside a baler.

7/27/2011 Bowen Engineering, Valparaiso, IN 46385  
Worker found unresponsive in tank while performing repair work.

7/25/2011 Pool Hoopers Franklin Park, IL 60131  
Worker fell over into a pump pit and drowned.

7/20/2011 Jean Genie Studio Inc., Los Angeles, CA 90023

Worker was killed after being pulled into a commercial washing machine.

7/18/2011 Trenchless Technologies of New England, Inc. Port Kent, NY 12975

Worker cleaning a pipe casing using an auger machine died after the machine overturned and crushed him.

7/18/2011 Sioux City Engineering Co. Sioux City, IA 51103

Worker was crushed in an auger while servicing a street paver machine

7/12/2011 Bar-S Foods Co. Lawton, OK 73505

Worker cleaning an auger inside a meat processing factory died after falling into the processing machine.

7/11/2011 Evergreen Caissons, Telluride, CO 81435

Worker died after falling into a covered hole that gave way.

7/8/2011 McConway&Torley LLC. Pittsburgh, PA 15201

Worker was impaled and crushed within a machine that creates product molds.

7/3/2011 Greater Miami Baseball Club Limited Partnership Ft. Myers, FL 33912

Worker died after his pelvis was crushed in a moving freight elevator.

6/28/11 Granbury Contracting & Utilities Inc. Granbury, TX 76048

Worker evaluating a sewer lift station died from gas exposure when he ruptured the sewer pipe, releasing liquid sewage and methane gas.

6/9/11 Imanna Laboratory, Inc. Rockledge, FL 32955

Worker testing a fuel tank without protective equipment died from burns after the tank exploded.

6/22/11 Golden Alley, Inc. Rozel, KS 67574

Worker was sweeping the elevator when he stepped into a manhole and fell 70 feet into the grain bin.

6/15/11 City of Redding Redding, CA 96001

Worker received fatal injuries in water pressure tank explosion after tank wall failed as it was being reloaded.

6/14/11 Corsicana Bedding, Inc Middletown, NY 10941

Worker died from injuries after being crushed in a machine.

6/12/11 Resource Management Companies Earth City, MO 63045

Worker fatally injured inside a baler attempting to free a jam when both legs were amputated.

6/7/11 Triangle Paving & Grading Inc Durham, NC 27703

Two workers died from oxygen deprivation after getting trapped in a manhole.

6/4/11 Metalico Rochester Rochester, NY 14605-2269

Worker was crushed in a compactor/baler.

5/30/11 Pine Grove Farm Standish, MI 48658

Worker engulfed in silo after top layer of corn collapsed.

5/22/11 Shin Tech LA LLC/Performance Contractors Inc. Plaquemines, LA 70764

Worker entered a confined space and was asphyxiated.

5/12/11 First American Resources Company, LLC Mableton, GA 30126-2942

Worker inspecting coil machine rollers was killed when he reached into the machine while in operation and was pulled in.

5/11/11 Harbor Point Mineral Products Utica, NY 13502

Worker died after being trapped in a silo.

5/6/11 Veolia Environmental Services Alvin, TX 77512

Worker cleaning an industrial boiler suffered fatal burns after slipping into a steam pit while filling five-gallon buckets with water.

4/25/11 Ace Ethanol, LLC Stanley, WI 54768

Worker died while performing cleaning operations inside a grain storage bin.

4/17/11 Advanced Technology Services East Peoria, IL 61630-1290

Worker checking for a hydraulic leak inside of a machine for cooling heated metal (quenching) was killed when the machine's lid crushed him.

4/11/2011 Southland Contracting, Inc. Webster, NY 14580

Worker was killed after falling onto a conveyor inside a tunnel.

11/17/2010 American Food Service Santa Clara, CA 95051

Worker died of acute exposure to carbon monoxide while using a gas-powered pressure washer inside a freezer.

11/16/2010 Basic Energy Services Quitman, LA 71268

Worker was standing by at a well platform while circulation and cleaning was being performed in the well. A tube rushed up and out of the well. As everyone ran for cover, a portion of the tube struck the worker in the head and killed him.

10/4/2010 Chemplex LLC Snyder, TX 79549

Three workers were burned in a flash fire in a blending vat. One of the injured workers, hospitalized with burns over 45% of his body, passed away a few weeks later.

11/10/2010 Lassen Forest Products Red Bluff, CA 96080

Worker fell into a wood chipper.

11/9/2010 Univar USA Inc. Houston, TX 77041

While unloading a tanker truck containing lighter fluid, worker began gasping for air. Although treated with oxygen, worker later died at the hospital.

11/5/2010 MFA Agri Service Sedalia, MO 65301

Worker was standing on the lifted forks of a fork truck to repair a down-spout on a grain bin. Worker lost balance and fell approximately 6 feet, striking his head on the concrete pavement.

10/28/2010 Central States Fumigation Liberal, KS 76901

While working on the exterior of a bin deck of a grain elevator, worker fell approximately 93 feet to the ground.

10/13/2010 Ron Perrin Water Technologies Richmond, TX 77469

Worker was conducting cleaning operations within a 500,000-gallon aboveground water tank, and drowned.

10/13/2010 Kraft/Nabisco Biscuit Company Chicago, IL 60629

An employee was operating a palletizer when apparently he climbed into the machine to un-jam a pallet and was crushed.
